

"VISUAL TEAM CHECK LIST"

QUESTIONS TO BE DISCUSSED BEFORE DESIGNING THE PLAN...

- What is the overall vision?
- What are the musical, lyrical, and emotional highlights of the song?
- What is the direction of scenario, character, era, and style?
- How could the costume and makeup plan enhance the character and overall vision?
- Is the song primarily rhythmic or lyrical in style?
- Where are the areas of vocal challenge or concern?
- What is the forum for which the song will be performed?
- What is the chorus size and current level of performance skills?

QUESTIONS TO BE ASKED TO TEST THE PLAN'S SUCCESS...

- Can the level of the chorus effectively perform the plan and sing well?
- Does the visual plan completely support the music?
- Are the characters well defined and does the visual plan support them?
- Does the visual plan support the lyrics?
- Is the plan contemporary or completely in style of the era?
- Was the pitch pipe technique designed into the performance?
- Were the areas of vocal challenge planned to enable vocal freedom?
- Does the visual plan for the chorus and front row support each other?
- Have we planned the director's role in the story and performance?
- Have we planned the emcee staging and transitions before and after each song?
